Yin:

We have reviewed the as-built plan.

It is sufficient.

Therefore, I authorize release of the entire bond, including the \$5,000 we held earlier for the as-built plan.

Yin:

I apologize for not getting to this right away. It was on my list of things to do before the week ends.

Yes, the Planning Board at its December 1, 2009 meeting approved the reduction from \$20,000 to \$5,000 of the performance bond #70423976 by Western Surety Company. The rest will be released upon receipt and satisfactory presentation of the as-built plan.
